

## **Hills Amenity Society** ([www.hillsamenitysociety.co.uk](http://www.hillsamenitysociety.co.uk))

Throughout the year, the Hills Amenity Society works to protect the very special environment in which we live - The Hills Conservation areas of Loughton.

As a group of local residents, we voice the concerns of others and provide a forum for residents to make their views and concerns heard.

The society aims to:

- Present a unified voice to the authorities.
- Contact the council, police and other services.
- Review local planning applications.
- Provide a public AGM with talks by guest speakers.
- Host a summer garden trophy competition.
- Provide an informal Autumn lunch.
- Organise carol singing for local charity causes
- Lobby successfully for local enhancement.
- Deliver quarterly newsletters to members.
- Post information on the notice board at Potters Close.

### **Let us know your views:**

Are there any matters that we should be aware of or should make other residents / authorities aware of?

### **Would you like to get involved or join the committee?**

The Hills amenity society exists to look after the interests of local residents, if you would like to contribute to the effort or have skills which could be valuable to other residents, then please don't hesitate to let us know.
